

## **Your Precious Deeds**

So many things You do for me!  
With thanks from the depths of my heart  
I am both thankful and grateful  
For what Your Sweet Blessings impart.

Enumerate each of Your Gifts?  
Impossible would be such task.  
All of Your Deeds are so precious,  
Each granted though I did not ask.

I honor You, Your Holy Name,  
In return You then honor me.  
Your Goodness always spurs me on  
And Your Precious Deeds set me free.

Grant me full sense of modesty,  
Humility in all I do.  
Your Blessings I'll share with others . . .  
It is then my praise shall ring true.
