

Pertaining to Life

Divine is He, and in my life
He has given me all things;
My walk of faith depends on Him;
To it, godliness He brings.

Moral excellence His Design,
A virtue sought as I pray;
To Honor Him in everything,
I revere Him every day.

So confident am I in Him
By wisdom gleaned from His Word,
I sacrifice for my brothers,
Share the Good News I have heard.

Virtue, knowledge and self-control
Merged in my life in each phase;
I add to those perseverance . . .
My true love offers Him praise.
