

One Day

One day I'll walk on Heaven's strands;
A wondrous day that shall be!
I'll meet The One Who understands;
Indeed, He shall welcome me.

And I shall worship His Glory;
All my life a dream of mine!
I'll savor His Wondrous Story
And look on His Face Divine.

I'll bow to His Precious Being;
In my prayers His Love I've sought.
I trusted Him without seeing
Knowing His Promise blood-bought.

One day, one day soon, Dear Lord,
At Heaven's Gate I shall be;
Yes, Lord, I've trusted in Your Word . . .
You'll be there to welcome me.
