

## **To Do That Which is Right**

Through prayer and sacrifice, Lord,  
I wish to do that which is right;  
There are many lost and hurting;  
Help me to share Your Guiding Light.

To do or say that which is right  
Not always a popular stance;  
Challenge me, Lord, to take action  
And not leave these things to mere chance.

Help me to be shrewd when needed  
And simple, if that be the case;  
Lead me to a site filled with love  
Where I can share Your Wondrous Grace.

Help me to know myself throughout  
Problems and troubles of each day;  
Help me to make the right choices  
An heed every word that You say.
