

So Grateful Am I

So many thanks to You this day
For blessings You've sent my way;
My doubts and fears You did allay . . .
You beamed Your Guiding Light.

Your Gifts to me? The love You shared,
Your Kindly Touch showed You cared;
And on Your Pathway I then fared . . .
To come within Your Sight.

Oh, there were times when I might fall,
But came moments of Your Call;
And it was You, my All-in-All . . .
Who pointed to pathway right.

So grateful am I on this day
For You showing me the way;
So now I pause; to You I pray . . .
You'll enlarge Your Guiding Light.

Stronger am I as I now go
To seek Promise that I'll know;
Protect me Lord, while I'm below . . .
Help me to stand tall and fight.
