

## **The Simplest Prayer**

Come unto me, Dear Lord, I pray;  
Come unto me this very day;  
Do listen to just what I say  
For You are so dear to me.

Your Lamb, Your Child, come unto me,  
So meek and mild, do let me be;  
Salvation's gift? Oh, it is free  
And so dear to me You are.

Come unto me ere comes the night;  
Come unto me, my Guiding Light;  
Do keep Your Presence in my sight  
For You are so dear to me.

Come unto me ere comes the end;  
Come unto me, Your Blessings send;  
Do walk with me the paths that wend  
To my goal of victory.
